OBJECTIVE:

A challenging Systems Administration position with a progressive technology-driven company in which I can utilize and expand my knowledge of Information Technology.

EXPERTISE:

- Microsoft Windows Server 2003/XP/2000 network design and implementation, MS DOS, MS Windows 3.x, 95, 98, and NT
- Unix and Linux (Red Hat and KSI) FreeBSD 4.5 operating systems
- Web site design, advanced HTML 3.2 and 4.0, DHTML, CSS, JavaScript, PERL, Apache

EXPERIENCE:

- Three increasingly progressive roles as technical support person, network administrator, and web site designer for Vist-Astrakhan, Astrakhan, Russia, 1997-1999; duties included IP masquerading, Internet access, remote dial-up access, and management of the services including DHCP, PPP, SMTP, POP3, FTP, NNTP, and HTTP. Full-time customer support and round-the-clock system monitoring. SMTP, POP3, HTTP. FTP, Dial-Up.
- Supported users and designed the informational web site for Real, Co., an Internet Service Provider, in Astrakhan, Russia, 1994-1999. Real. Co, was the first ISP in town. Performed customer access program checking and testing. Technical support hotline on the phone and by e-mail and creation of the town's first web-site <http://www.astrakhan.ru>
- Portland General Electric (PGE) Intern: evolved to paid status. Assigned to team writing for Human Resources web application. Also assisted as a tester. Programming languages included ASP, VBScript.

EDUCATION:

- Heald College Microsoft Academy Program, 2001-2002. Portland, OR USA
- Astrakhan State University, 1984-1993, major in Russian language and literature, earned degree equivalent to Master's degree and teaching certification. Astrakhan Russia

CERTIFICATIONS: MCSE – See attached transcript.

PERSONAL:

- Excellent people skills; patient, polite, positive attitude, responsible, accurate, organized, hard working, and fast to learn.
- Bilingual; fluent English (native language is Russian), love everything computer related, especially reading books about operating systems, Unix, networking, and security.

EMPLOYMENT HISTORY:
